## EDUCATION

Bsc. Hons Artificial Intelligence and Machine Learning , 08/2024 - 08/2028  
Computer Science  
University of Zimbabwe

## SUMMARY

"Euclide is a multifaceted university student majoring in Artificial Intelligence. Beyond academics, Euclide nurtures a passion for Graphic and Motion Design, showcasing a unique blend of technical expertise and artistic creativity. With a keen eye for detail and a drive to innovate, Euclide excels in both fields, constantly seeking opportunities to merge AI with design. This fusion of skills enables Euclide to craft captivating visual experiences that captivate and inspire."

## EXPERIENCE

Graphic Designer 08/2022 - Present  
Skylah Graphics Chipinge

"A creative design firm providing innovative visual solutions for businesses, specializing in logo design, branding, and digital marketing materials."

- 1. Successfully led 20+ design projects, delivering high-quality visual solutions for clients and exceeding expectations.
- 2. Developed and implemented a brand style guide, ensuring consistency across all marketing materials and elevating the company's visual identity.
- 3. Increased client engagement by 30% through strategic social media campaigns and targeted design solutions.
- 4. Mentored junior designers, providing guidance and training to help them improve their skills and achieve their design goals.
- 5. Designed and developed a comprehensive visual identity package for a new product launch, including logos, brochures, and marketing materials, resulting in a 40% increase in product sales within the first quarter.
